D – CODE OF ETHICS FOR PLAYERS

I am a football official and in my involvement and my behaviour, I am an ambassador for football in Quebec, to the general public and especially my parents I support and promote the principle of Fair Play.

1. I represent my team and my sport as much on the field as off the field.
2. I respect my sport and the written and unwritten rules that govern it.
3. The good of my team comes before my own needs.
4. I accept the decisions of the officials and my coaches.
5. I always keep my composure and assume full responsibility for my actions.
6. I respect my coaches and conscientiously follow their guidelines.
7. I am aware that football is a game and not a fight.
8. I respect my opponent as much as my teammates.
9. I proudly wear the colours of my team and I respect the equipment it lends me,
10. I refuse for myself nor will I tolerate among my teammates the use of drugs, medicines or any stimulants in order to improve performance.

E – CODE OF ETHICS FOR PARENTS

I am the parent of a football player and by my involvement and my behaviour, I am an ambassador for football in Quebec, to the general public and especially to my children. I support and promote the principle of Fair Play.

1. I understand that football has a great potential as a contribution to health and balance and personal development.
2. I recognize that the well-being and development of my child is a priority situated well beyond performance and sporting victory.
3. I understand that my child plays football for his pleasure and not for mine.
4. I see victory as one of the pleasures of sport, diminishes defeat and I recognize mistakes as part of learning.
5. I encourage the effort as much as the outcome.
6. I respect the coaches and officials in their work.
7. I understand the difficult task of officials and accept their decisions.
8. I will recognize the good performance of my child as well as that of the other competitors.
9. I accept the limits of my child and I do not have ambition for him.
10. I try to learn the rules of football to prevent ignorance but this will not cause me to challenge the decisions of coaches and officials.
11. I do not see children as miniature adult sport athletes.
12. I teach my child the values of respect, discipline, effort and loyalty.
13. I do not condone or encourage physical or psychological violence.
14. I encourage my child to develop his skills and sportsmanship.
